SUMMARY

A highly motivated and detail-oriented B. Tech IT student with foundational knowledge in MERN Stack. Eager to apply technical skills to real-world problem-solving and contribute to innovative projects. Adept at learning new technologies and thriving in team environments. Looking to contribute to innovative projects and expand my expertise in software development.

EDUCATION

| | |
|--|--------------------|
| Bachelor of Technology in Information | 2022-2026 |
| Acropolis Institute of Technology and Research, Indore | CGPA : 7.05 |
| Class XII | 2021-2022 |
| M.G.M Higher Secondary School, Indore Khajarana | Percentage : 84% |
| Class X | 2019-2020 |
| M.G.M Higher Secondary School, Indore Khajarana | Percentage : 92.3% |

TECHNICAL SKILLS

- **Programming Languages** : Node.js, Express.js, React.js, JavaScript, SQL, Core Java
- **Databases** : MySQL, MongoDB
- **Fundamentals** : DBMS, Data Structures and Algorithm
- **Project Management** : Agile Methodologies, Scrum Practices

ACADEMIC PROJECTS

EduVed

- **Technologies** : React.js, Tailwind CSS, Node.js, Express.js, MongoDB
- **Description** : Developed a web platform where the admin can upload and manages study notes for user to view and access. The platform also has a book store where users can upload and sell their books. To must make a payment first. After that, they can chat with the seller to more details and decide on a place to meet and collect the book. The system makes sure that all transaction are safe and communication between buyers and seller is smooth and easy.

Attendify

- **Technologies** : React.js, Tailwind CSS, Node.js, Express.js, MongoDB
- **Description** : Developed a web-based attendance tracking system for a karate class, allowing instructors to take and update student attendance easily. The system automatically generates Excel reports based on training days, helping trainers to monitor attendance and manage records more efficiently

CERTIFICATIONS

- MEAN Stack Training
- Successfully completed Programming in Java certification from NPTEL with 71% (Jul-Oct 2024)
- Completed "Introduction to MERN Stack" certification on 22nd May 2025

STRENGTHS

- Problem Solving
- Teamwork

EXTRACURRICULAR ACTIVITIES

- Participated in Kriyeta 4.0, organized by Acropolis Institute of Technology and Research
- Earned the 100 Days Badge on LeetCode for consistent daily problem-solving and algorithmic practice.

I hereby declare that the information furnished above is true to the best of my knowledge.
